IMPORTANT NOTICE: SPECIAL OFFER ON EDUCATO ACADEMY UNIFORMS

Dear Parents and Prospective Parents,

We are excited to announce a special offer on student uniforms provided by Educato Academy for Grade 1 - Grade 6 learners. This offer is available while stocks last and can be accessed through our online store: <https://www.educato.co.za/online-store>

The reason for this special offer is that Educato Academy is changing uniform suppliers, and we are pleased to introduce Overkruin Outfitters as the official school wear supplier, effective from the 1st of December 2023. Overkruin Outfitters will release their pricing for Educato Academy's uniforms by mid-November 2023, and we anticipate the pricing to remain similar to our current rates.

This change in suppliers is a result of Educato Academy's growth over the past few years, with a strong emphasis on providing high-quality uniforms to our students. Overkruin Outfitters' uniforms have exceeded our expectations in terms of quality.

While the new school uniform will maintain similarities with our current uniforms, we are thrilled to announce some exciting changes to our Track Suits and Golf Shirts, enhancing our school wear to be more unique and branded. **All uniform items for 2024, can be purchased at Overkruin Outfitters.**

Parents are welcome to take advantage of the discounted prices for our current uniform items available at the provided link. Please note that there is no obligation to replace your child's current uniform with the new uniform, unless they will be representing Educato Academy in 2024 at special tournaments, sports events, or competitions. *(This will be communicated in advance with the applicable group of children)*

We appreciate your continued support and look forward to this new chapter in uniform supply at Educato Academy.

Sincerely,

M M NEL
Principal, Educato Academy
